#### IOIR BOY'S DEATH BELIEVED SUICIDE &

Burned Lips Indicate Drinking Poison Before Fall to Tracks, Says Medical Examiner.

Assistant Medical Examiner Howard W. Neall of Queens to-day said he was convinced Kermit Engelhart, nineteen, whose body was found yesterday on the Long Island Railroad right of way under a bridge near the main Porest Park Read, committed suicide.

Dr. Neall said Engelbart's lips were burned as if by acid and that children playing nearly had found a bottle that may have contained poison. He believes the young man, who was a choir singer, took polson and then jumped from the bridge. He sustained a fractured skull, broken spine, three broken ribs, punctured lung and a fracture of the left abow. Examination of the stomach bentents is being made at Believue Hos-

The police believe a love affair caused Engelhart to become despondent and are seeking information from fellow-mem-ters of the Richmond Hill Baptist

Church Chotr. The young man's father, Julius Ergelhart, indignant at the suicide idea, is said to intend employing private detecrives. He declares his son either fell from the thirty-five-foot bridge or was knocked from the guard rail. There was no evidence of attempted rebbery.
